

APAS Membership Fee Policy

The following values have been discussed and agreed upon by the committee as being fair and reasonable costs of being a member of APAS.

The purpose of the membership fee is not a full cost recovery of the costs incurred by the committee to run the association. The aim is to provide a discount mechanism for the cost of attending the annual conference based on the different membership classes.

The value should be sufficient to stop nuisance memberships and be value for money.

Membership is valid for the full calendar year, commencing 1st January and terminating 31st December of that calendar year.

Membership Renewal Opens 15th November every year and closes 31st December of the same year.

The Constitution allows a three (3) month grace period before the membership is terminated. If a returning previous member wants to rejoin after the three (3) month grace period, a new application is required. See the Membership Policy.

Full Member	\$60.00
Associate Member	\$100.00
Retired Member	Half of the Full Member fee.
Student Member	Half of the Full Member fee.
Life Member	Complimentary.
